Budget

Seconded by UW-SP

Proponent - Hiro

- Carryover of \$5000 estimated
- Conference excess fee \$0 because plan is to break even not turn a profit
- Contingency fund for conference deficits, set at 7%, ideal 10%
- Expenses not changed much, printing costs and postage decreased
- Awards increased
- NACURH 2001 most expensive NACURH, RBD working to get host school support, budgeted realistically for reg fees and travel
- Q&A
 - BSU: end surplus ~7400, beginning budget 5000...where's the rest?
 - Hiro: Move some into contingency fund, have not seen some; other incomes as if now
 - Saint Mary's: why up unspent accounts in new budget?
 - Wait to order pins, sell pins at NAUCRH, end of term turn over money to philanthropy...hope to sell more pins
 - UWGB: OCM and CFR...one company, 2 checks?
 - Expect the same amount, will fix budget, thanks!

WMU called the question

UW-O objects: what does "transfer out" line mean?

- All money under same umbrella...term that's used

SVSU called question

Butler objects: reduce travel,

expenses?...give money back to schools

WIU purpose of add on fee increase: need to build contingency and surplus

UWRF dittos

ILSU yields

WIU-NRHH conferences to help region financially

SVSU extra fees cover apparel for RBD travel....doesn't want RBD to pay out of pocket

Hiro: some RBD get costs covered,

It is in the budget ??
It is not in the budget??

It is not.

Carthage
Presentation—Stout had a enthusiasm
The cost should not matter to develop the

Change the advisor term for 2 years.
First year for NRHH advisor
Second year for Business Meeting
I think GLACURH grew and NRHH grew,
having 2 advisors will be a good idea
It also helps to recruit advisor
Middle position, you do not know where you
will be in three years.

Question
How about other region?
SACURH has two advisors.

How about budget?
No finance effect

BSU
mid level profession??
Full time Residence Hall to Assistant
Director/Director of Residence Life.

Madison NRHH
We cannot run the meeting without the
advisor??
It is going to be up to NRHH

CMU
How is the selection??
It is going to joint with NCC and NRHH

Discussion

there is no NRHH.

Madison NRHH
There is no regional NRHH constitution?

Kristin

First year, advisor learn about organization a
lot

Oshkosh NRHH
Turn over is not always bad
New people, new concept.

BSU
Turn over is not always a bad thing.
Feel more comfortable.

Necessary to specify time to ease in writing bids

Questions:

Saint Mary: What about programs that happen a week before GLACURH?
Can be talked about in presentation
Purdue: dates arbitrary, we could change?
Yep
MSU: Why necessary?
Clarification
ILSU: Change for program of the year only?
Yep

Discussion
WIU: problem with due dates and letters of intents if we set dates b/c conference dates change. Can fix stuff at another time, maybe change to close GLACURH to open of next GLACURH. Fix program at a later time
Purdue: Amends add:
for all bids and awards other than program, programs which will be defined as 13 months prior to the conference to 1 month before the conference.

WIU: Fixes nothing...what if bids are due 2 weeks prior? Lost 2 weeks! Need to take time to figure it out and fix it later

UW-LAX: yields

RHIT: yields

UIUC: bids already due one day prior to conference, then time doesn't really matter

DePauw: Calls the question
Objection WIU: is facility recognized as part of RHA? All of ours are!!

Brock: something about discretion of director?
Called out of order since we're discussing amendment

Viterbo: amendment redundant b/c of necessity of RHA advisor signature

Discussion on Health and Wellness
MSU

We ran into the problem at GLACURH
We got it done at 1am

I was seriously about reading the bids.

What we can do to help our organization healthy
I brought this to semi annual

Required to have agenda for 5 hours of sleep.
Another region send out bids to NCCs
Another region goes to bids goes to be on line

Dave Ahlvers
Health and Wellness is a key issue.
For NCC, RBD, and conference staff.
A part of your job,
If you cannot do it, you may not should bid for this.
It is a part of your job.
Dedication and ability, do it.
If you don't, don't

SVSU
Not happy about sending bids out.
Sleep is important, but it ids done.

WMU
5 hours sleep.
How do you ensure.
Kristin
I will contact other region to see how they do it.

ISU
We don't get to see each others. Even you tell me to go to sleep, I won't.
Not favor of sending the bids out.
One weekend, we all come together.
If I have to stay up all night, I will.

DePauw
Personal responsibility

NRHH Madison
WI CCs had 23.
Integrity of the award and bidding. On-line should not be exercised

LAX
Concerning physical health.
Attitude is a key.
Negative attitude makes a difference.

RHIT
Put up what we have to do.

Purdue
Great opportunity to see people who I cannot see often
Schedule from mid night to 2 for bid reading.
Prepare yourself.

DePaul
How about giving bids at checking?

CMU.
Is there anyway
Can we have a choice not to do a business
on Friday?

Kristin
Continue this conversation on listsrve

Feedback: Leg on-line

ISU
Had a chance to do what people think?

How many people went to get a leg and talk
to them?

Purdue: Help if it was put up earlier

DePauw: beating his own dead horse

Windsor: good because we're new, and
gives others a chance to see before hand
what will go on at the meetings so they can
bring prospective ncc's

WMU: cut down on GLACURH costs,
transitioning new NCCs, could go through
leg on the way here

UWGB: yields

Albion: ditto...their printer got hungry and
ate some pages

WIU: nice to talk to others about it, no need
to read leg at night and could read bids
instead

Purdue: really help subregion meetings and
gave direction

**RHA President of the year award
discussion:**

Presentation by Hiro
3 regions give out this award, and want to
bring it to the national level...Hiro asked to
bring feedback to NACURH Pre-Conference

WIU: good idea, great way to recognize
leaders

Hiro: brief overview of discussion:

Good: recognition

Bad: another award, can use the
student to do the same

DePauw: overrecognition
UWOK: Great and all, but why stop at
prez...we have a kick-ass treasurer who
deserves recognition....exec board member
instead?

Madison NRHH: after seeing discussion
and as a prez has mixed feelings....large
group to get more involved, but singling
people out for an award....applying for
recognition??

WMU: Likes idea...our prez was put in for
student, but wanted to submit others for
student instead

ILSU: who decides this award?
Varies...PACURH has rbd decides

Windsor: good idea to promote region...this
is a good motivator

Guelph: Would this happen for NAUCRH
2001? Probably not...2-3 years down the
road

LAX: Why do this/what is motivation? Best
satisfaction is the direct results of what one
does in a position, and we award ourselves
to death

BSU: good, but if RHA prez, then RHA
treas...ok so eboard...then prez vs treas?
This is nuts!! There are many issues to look
at, this can be done through the student of
the year.

NACURH Committees

not breaking up this year, instead rbd
facilitate committees. If you want to help,
