A Word from her Biggest Fan

“Ellen Evans has shown and displayed what a leader is all about. Through her four years being involved with the Residence Halls Association for Michigan State University, not only has she motivated me to become more involved with the organization, she has taught others how to create their own leadership beat through her hard work and dedication. She has been a great leader as well as a great friend to all. Going above and beyond the call of duty truly paints this RHA artist through the beat of her leadership. Ellen is truly beyond a student, she is an advocate leader with a kind-heart and a spirited soul.”
