

**Main Motion G | Student of the Year Qualifications**

**Whereas,** Currently, the Governing Documents say that no student who was an National Communications Coordinator (NCC) in the past year may be nominated for the Student of the Year bid (Student); and,

**Whereas,** as a region, the NRHH-Communications Coordinator (NRHH-CC) position and the NCC position are valued as equals; and,

**Whereas,** it is only fair if all Communications Coordinators (CC) are held to the same standard; and,

**Therefore let it be resolved,** that the Student of the Year category specifies NRHH-CCs with NCCs as unable to receive the award;

**Therefore let it further be resolved,** that Title 9, Article XI, Section 5 be amended as follows

<b>Section 5</b>	<b>Student of the Year Award</b>
	<p>A. This award recognizes outstanding service to GLACURH by an individual who has been directly affiliated with the organization.</p> <p>B. The nominee may not have been an NCC <b>or NRHH-CC</b> in the past year.</p> <p>C. Bids may be no longer than 8 pages.</p>

Respectfully Submitted,
