

Whereas, the Regional Director is currently excluded from awarding Golden MOWIIs because they award the region's silver pins; and,

Whereas, the silver pins are awarded on behalf of the region for outstanding service and support, and Golden MOWIIs are awarded to individuals who have personally supported members of the RBD in achieving their goals; and,

Whereas, the Regional Director deserves to award individuals who have impacted them personally to help maintain the purpose of silver pins; and,

Whereas, five of the eight regions within NACURH allow their Regional Directors to select recipients for awards outside of the silver pins; then,

Therefore let it be resolved, that the Regional Director be allowed to award up to three Golden MOWII pins throughout their term; and,

Therefore let it be resolved, that Title 9, Article XXIII, Section 3, Subsection A be updated to read, and immediately go into effect after a decision is made on the piece:

Article XXIII	Golden MOWII Pins
Section 3	A. Each member of the Regional Board of Directors, with exception of the Regional Director , will each have up to three Golden MOWII Pins to award throughout their term.

Respectfully Submitted,
 Cassie Govert, *Regional Director*
 Becky VanWychen, *Associate Director for NRHH*
