

Whereas, the Great Lakes NRHH Policy Book still refers to the previous title of the Coordinating Officer for Bidding and Awards; and,

Whereas, at the 2017 Regional Business Conference, a piece of legislation passed consolidating the Coordinating Officer positions into four and changing the titles of them; and,

Whereas, that piece did not include changes to the Great Lakes NRHH Policy Book, just the Great Lakes Governing Document; and,

Whereas, all the governing documents of the Great Lakes should be consistent and reflect the same Coordinating Officer position titles;

Therefore let it be resolved, that all references of the Coordinating Officer for Bidding and Awards be changed to the Coordinating Officer for Recognition and Service within the Great Lakes NRHH Policy Book;

Respectfully Submitted,
Becky VanWychen, Associate Director for NRHH
