

NRHH Main Motion C | NRHH-CC of the Year Update

Whereas, currently the NRHH-CC of the Year award is based on activities, contributions and other information within the regional year defined as GLACURH Regional Leadership Conference of the previous year to the GLACURH Regional Leadership Conference of the current year; and,

Whereas, the NRHH-CC of the Year award is typically awarded to NRHH-CCs that are currently serving; and,

Whereas, the regional year as defined by GLACURH Regional Leadership Conference of the previous year to the GLACURH Regional Leadership Conference of the current year would not encompass the entire term of a NRHH-CC; and,

Whereas, the NRHH-CC of the Year award is currently selected at the GLACURH Regional Business Conference; and

Whereas, the NRHH-CC of the Year award should be based on the entire term of the NRHH-CC, which typically starts at the GLACURH Regional Business Conference of the previous year to the Regional Business Conference of the current year;

Therefore let it be resolved, the NRHH-CC of the Year award year specificity be changed to encompass the entire term of the NRHH-CC by defining a year to be the previous year’s GLACURH Regional Business Conference to the current year’s GLACURH Regional Business Conference; and,

Therefore let it finally be resolved, Title IV, Article I, Section 5, Subsection 7 of the Great Lakes NRHH Policy Book read as:

Article I	NRHH Regional Awards
Section 5	<p>7. The NRHH-CC of the Year will be awarded based on contributions, activities, and all other pertinent information occurring within the regional <u>previous</u> year (12 p.m. of the Saturday of the previous years GLACURH Regional Leadership <u>Business</u> Conference to 12 p.m. of the Saturday of the current year’s GLACURH Regional Leadership <u>Business</u> Conference.)</p>

Respectfully Submitted,
