

**Main Motion AD | Student Staff Member of the Year
 Update**

Whereas, Currently in the governing Documents there is a large divide between the ability of recognition between the Student Staff Member of the Year and the Student of the Year; and,

Whereas, Both bid categories are deserving of equal representation and deserves to have the same criteria; and,

Whereas, the Governing Documents state that the Student Staff Member of the Year has a 4 page page limit while the Student of the Year Award is 8 pages; and,

Whereas, there is confusion in the writing of the bid itself; and,

Therefore let it be resolved, that in order to equal the ability for both students to be recognized there should be an increase of the page limit and make a condition where there is no candidate that is nominated for Student Staff Member of the Year and Student of the Year....

Therefore let it further be resolved, that information on lines D and E will be corrected in to the correct order

Therefore let it further be resolved, that the Student Staff Member of the Year award in Title 9, Article XXI, Section 9 be as follows:
